Nevada Medicaid Community Paramedicine Provider Training and Enrollment Session

Hewlett Packard Enterprise, in partnership with the Division of Health Care Financing and Policy (DHCFP), will be conducting a training event and enrollment session for the new Community Paramedicine Program. This targeted training event will include an introduction to the Nevada Medicaid Program, an overview of the Community Paramedicine Program, website navigation, and a billing overview. An additional hour has been added to each session to include assistance with enrollment for Nevada Medicaid. Managed Care Organizations will be on site to answer additional enrollment questions.
